SUMMARY

UX Designer & Team Lead with 5+ years shipping research-driven, accessible products end-to-end — from user research through polished UI delivery. Currently contributing my UI/UX skills at the **University of Miami**, helping design an accessible health app for an academic non-profit initiative.

EXPERIENCE

3 POSITIONS · 2021 – PRESENT

UX Researcher / Team Lead — Millet User Experience Lab 2024 – PRESENT

- Led UX research and design for mission-critical applications used by frontline professionals.
- Directed product redesigns and design strategy, translating research findings into clear UI/UX direction.
- Conducted user research, QA testing, wireframing, prototyping, and usability testing.
- Coordinated project timelines, deliverables, and cross-functional collaboration.

Instructor, Interaction Design — University of Miami 2025

- Teach foundational UX and UI principles to undergraduate students.
- Design and evaluate hands-on projects in interaction design and prototyping.
- Mentor students in usability testing, design thinking, and Figma workflows.

Lead UI/UX Designer — Yoliia 2021 – 2023

- Defined design strategy and led end-to-end UX design for multiple shipped digital products.
- Defined user flows, wireframes, and interactive prototypes for accessibility and engagement.
- Collaborated with developers, researchers, and illustrators to deliver cohesive experiences.
